

CLASS INSTRUCTOR

Barbara Kennedy, M.A., has been practicing and teaching yoga and meditation in Indianapolis for over 20 years. She received her yoga teaching certification during a 3-year residency at the *Himalayan Institute of Yoga Science and Philosophy* in Honesdale, PA. Barbara also worked at the *Center for Holistic Medicine* in the Chicago area, staffed by medical doctors and yoga instructors who were all trained in alternative forms of healing. Locally she has been featured in the *Indianapolis Star*, *Indianapolis Monthly*, the *Indianapolis Business Journal* and *Indiana & Yoga Magazine*.

TEACHING STYLE

Barbara helps students of all ages, fitness levels and lifestyles to feel both energized and relaxed through the practice of yoga. Smaller class size allows her to provide individualized instruction. She combines classical yoga, *Foundation* by Dr. Eric Goodman, *The Five Tibetan Rites*, meditation, and pranayama in her classes. Start where you are and use yoga to live mindfully in all aspects of your life. This is truly yoga for every body.
